## Dancin Up A Storm TH 'Danny'

*2008 Registered American Hanoverian Gelding  
Dancier (DeNiro) / EM Pied Piper (Pik Immer)  
Lifetime USEF / USDF Registration*

A beautiful dark bay gelding that will mature 16.2H 'Danny' possesses three elastic gaits, is friendly, and shows a willingness to jump. 'Danny' was named top colt at his Hanoverian inspections and received positive comments on his conformation and leggyness. He would make a lovely prospect for any amateur or professional as all of his siblings are known for kind temperament, willingness, soundness, and freedom of gaits. **Priced to sell** as I am retiring.
